

Map of Connecticut School Districts Participating in Healthy Food Certification (HFC) for School Year 2020-21

Under [Section 10-215f](#) of the Connecticut General Statutes, HFC requires each board of education or governing authority for all public schools participating in the U.S. Department of Agriculture's (USDA) National School Lunch Program (NSLP) to certify annually to the Connecticut State Department of Education (CSDE) whether they will follow the [Connecticut Nutrition Standards](#). These standards apply to all foods sold to students separately from reimbursable school meals. Public schools include public school districts, regional educational service centers, the Connecticut Technical High School System, charter schools, interdistrict magnet schools, and endowed academies.
